**1. CONFIDENTIAL INFORMATION.** As used in this Agreement, "Confidential Information" means all non-public information related to the Business, including without limitation, financial information, technical information, marketing information, cost information, sales information, customer information, operating information, product information, all documents, reports, plans, formulas, compilations, devices, techniques, data, materials, methods, processes, sources, and any other information, however described, which is, or could be, valuable in the type of business in which Owner is engaged.
